In addition to combination classes, we are able to offer many exciting extra classes in jazz, hip-hop, lyrical, and tap, and Mammy & ME. Along with our excellent ballet classes we give our students a well-rounded education. Our students have many opportunities to excel in all forms of dance. We will be offering competition classes again for many different ages in jazz, tap, ballet and lyrical.

We realize that we have some students that are serious about ballet, some are serious about all forms of dance, and some just want to have fun and enjoy dance. We are happy to accommodate everyone. If you have questions about working out your child's schedule, please call us or e-mail us at Dance6935@aol.com.
